

Package No. 4:

Three-day exploration of Chom Ong Cave

Chom Ong cave is a recently rediscovered natural attraction located about 45 km from Oudomxay town near the Khmu Lu village of Chom Ongthai. In the village you can see traditional handicraft production.

From the village it is a one-hour walk, to the cave up the creek through rice fields and lovely forest with various animals, insects and small birds. The cave is the source of the Nam Kaang River. Entering the cave you can

follow the spring for 1600 m passing through large halls with heights of 35 m and 20 m wide. The exploratino of Chom Ong Cave takes about four hours and is a real adventure as the cave is still in its natural state.
